The text : How to Be a Good Citizen?

How can we call someone a good citizen? It's not easy to answer this question; however, a good citizen, is a good person and he is someone who shows self-respect, social justice and love for his country. If a person gets correct values and principles at home, he will be a good citizen. If a child doesn't receive a good education from his parents, he will not show any good qualities when he becomes adult. (§ 1)

I believe that there are many things that reflect your principles as a good citizen in your country. When you help people in need , you are a good citizen. When you help the poor and pay money for charities and orphanages, you are a good citizen. When you follow the rules of traffic and government laws in general, you are a good citizen, When you help young and old people and treat them with respect and preserve the dignity of others you are a good citizen. (§ 2)

A good citizen knows his rights which should never violate the rights of others. Respecting others' opinion is also an important part of being a good citizen. (S 3)

Citizenship is huge responsibility on the shoulder of every faithful and selfless citizen in his country. (§ 4)
