

FIRST TERM ENGLISH EXAM

Text :

In my town, there is only one shopping mall. It's a very large place though and you can spend all day there. It has got over 50 shops, 10 fast food restaurants and 4 coffee shops. It also has a really big supermarket next to the movie theatre. In the mall, there is also a fun place for small children to play while their parents are shopping. It is called kinderland, it is near the main door and kids can dress up, play, read books or draw pictures there.

I often go with my friends to the mall on the weekend. We usually get something to eat or drink at the Food Court. Also, we like to watch a movie in the movie theatre which is located on the top floor opposite Elmer's Hair Salon.
