

It was a red hot day and I felt bored at home. So, I decided to go to the beach. When I arrived, the sea was calm, the sun shining and a smooth fresh breeze was blowing.

There were not many people there .Two young men were bronzing while their kids were swimming .A family was having lunch and so was I. I was taking a delicious sandwich with some lettuce, tomatoes, cheese and tuna.

When I finished eating, I jumped into water and swam until a rock where I sat and started admiring the blue. Suddenly, a dolphin appeared .He said "Have you ever seen the under waters?" "No, never" I replied. "So, get on my back and let's go!" I got on his back and quickly he dived deeper and deeper under the surface.

Below the sea, it looked like Paradise. It was amazing .Everything seemed calm. Schools of fish were gliding among coral reefs that was marvelous .At that moment a big tuna fish stopped us and said : " You were eating tuna, weren't you ? " . "Yes! I really like tuna ". I answered. "So you killed my lover, Juju! ". "No! it's not true!" . " I will eat you now! Cruel creature!" . " Help! Help! Mom! ... "At that moment, I heard a voice:" It's time to go to school wake up lazy boy!"

Elaborated by the teacher

**Part One:**                      **Reading Comprehension** (7pts)

Read the text then do the following activities. (1pt)
