

## Third Term English Test 1

### Text:

#### **Air Tragedy hits Algeria**

What a sad day for Algeria ! Algerians woke up at this news: "There has been a plane accident". In fact, At 7.50 in the morning of April 11<sup>th</sup>,2018, a military plane crashed in Boufarik, a locality in the city of Blida in the west of Algiers.

Right after the plane took off, it began to lose altitude and lower dramatically. There seemed to be a technical problem that led the right reactor to cease working. Knowing that the plane was going down, the brave pilot did a heroic move by guiding the plane far away from habitats in order to avoid killing any citizens living outside the airport.

The disaster that lasted only a few minutes caused the death of 257 innocent lives: soldiers, some of their families and the crewmembers.

May you rest in peace, heroes of the nation.
