

SECOND TERM TEST

Healthy Food

There are many fast food restaurants in my town. Lots of people eat fast food, but I think it isn't healthy. They eat this food because it's tasty, but everybody can have a tasty meal at home.

The only problem is that buying fresh products and cooking them takes time. And people prefer to spend time doing other activities, such as watching films, meeting friends, walking in the parks etc.

I also like to do these activities, but I am very careful with my diet. Fresh fruit and vegetables will always give me energy for the day. I like milk, eggs, roast chicken and mashed potatoes. Fried potatoes are nice but unhealthy, like all fried food. My favourite meal is fish. And for dessert I'm afraid I eat too many sweet things: chocolate, candies, cakes, you know...
