

Dear friend John,

Algeria is situated in the North of Africa. it covers a total area of 2,381,741. Km<sup>2</sup>. It is the largest country in Africa. The capital of Algeria is Algiers; it is located in the north of the country. Algerian dinar is our national currency. Algeria has about 42 million of population.

There are many amazing and fabulous places in my country. My country has beautiful cities as Algiers, Tamanrasset, Constantine, Taghit, Tlemcen and Jijel. We also have famous mosques like The Great Mosque in Algiers and An-nakhla Mosque in Boussaâda. Moreover, famous Algerian figures lived in Algeria such as: el-Amir Abdelkader, Ibn Badiss and Dinet.

When you visit Algeria, it's impossible not to taste our delicious traditional dishes like couscous, Shakhshoukha and Zefiti.
