Hello, I am Selma, Last summer I had a wonderful trip with my family. First, we flew from Algiers to Paris on a plane to see the Eiffel Tower, which is a famous monument in France. It is located exactly in Paris and it is 324 meters high. It was built by the Architect Gustave Eiffel in 1889. It is fascinating and huge. Then, we wanted to see Big Ben. Therefore, we took a cruise ship and sailed to London. We visited the House of Shakespeare who is a prominent figure in the English literature. He was born on April 23<sup>rd</sup> , 1564 in Strafford Upon-Avon, England. William Shakespeare was a writer, poet and a playwright. He wrote a famous play called “Romeo and Juliet”. He died on April 26<sup>th</sup> 1616. After that, we took a train to Rome the Capital of Italy to see the Roman Architecture. We visited the Pisa Tower, which is a wonderful and famous landmark in Italy, and it is located Exactly in Rome. It is 60 meters high. So, it is not as tall as the Eiffel tower. It was constructed by a group of outstanding architects. It is as huge as the Eiffel tower in Paris. Finally, we returned to Algiers and I was very happy as I had a wonderful journey with my family around Europe.
