

*Second Term English Test*

The text:

Hello, my name is Oprah Winfrey. I was born on the 29<sup>th</sup> January, 1954 in Mississippi, USA. I am now known as an actress and a socialist. I like helping people through charity. When I was young, I had a difficult life. I was poor and I couldn't get a good education. I have always had the dream of becoming a famous person but at that age (between 10 and 20) I was only trying to survive. After I grew up, I started working everywhere, I made money and I made my dream come true. I became one of the famous millionaires in the world. People used to tell me that I can do nothing. But, I did not give up.

So, if you are reading this; never give up on whatever you want to do. Better yourself up and follow your dreams.
