

The First Term Examination of English

Hello,

Thanks for asking me about my dream job. Well, when I was a child, I dreamt of becoming a journalist because I used to like speaking to peers and telling them stories.

Recently, I've decided to become a doctor. You ask me why? Simply because of the pandemic Covid 19. As you know everything has changed since February 2020. Million of people all over the world have been suffering and thousands have been dying. To be a doctor for me, means to stop pain and death. Now, I'm convinced that medicine is the noblest profession in the world.

By the way, I will get enough information about that job details from uncle Hamid my dad's friend, who is a cardiologist doctor.

I hope my dream comes true someday.

Best regards

Farid
