First Term English Test

Text:

Hello

I am Selma. Last summer, I had a wonderful trip with my family around Europe. First, we flew from Algiers to Paris to see the Eiffel Tower which is a famous monument in France. It is 324 meters high. It was designed by the architect Gustave Eiffel in 1889. It is visited by many tourists every year. Then, we wanted to see Big Ben. Therefore, we took a cruise ship and sailed to London. Big Ben is one of London's most famous landmarks. It is situated in the Elizabeth Tower in the north end of

The Houses of Parliament in Westminster, Central London, next to the river Thames.

Big Ben is actually the name of the huge bell, which weighs more than 13 tons, but most people use it to refer to the clock and the tower as well. It is the world's largest clock with four faces. Each face is 7 meters in diameter. The bell is just over 213 meters tall. Next, we visited the house of Shakespeare who is an outstanding figure in the English literature. He was a writer, a poet and a playwright. He wrote many famous plays as: "Romeo and Juliet". After that, we took a train to Rome where we admired the Roman architecture. We visited the Pisa Tower which is a wonderful and well known landmark in Italy. It is 60 meters high. So, it is not as tall as the Eiffel Tower. Finally, we returned to Algiers.
