# The reference letter

Dear Mr. Lukas

I am more than happy to recommend Lren Gray for the position of Chef with your restaurant. When Loren was my student , his comprehension of the art of cooking was well beyond anyone else in the class. His ability to develop a strong menu and bring in customers based on his cuisine was unrivaled.

Loren also has a strong administrative side to her that will serve her well as your chef. During many of our exercises, Loren had no problem stepping forward and assuming a position of responsibility. In every instance,loren ' crew was the most efficient and successful in the class. Her ability to manage was exceptional.

LOREN looks at cooking as an art and she is a very talented artist. His original creations are still on the menu here at our school's restaurant that serves the public and her name is still revered here. have If you have any questions at all, please feel free to call me at 555-345-6789 or you can email me at francis.bert@email.com.

Sincerely Yours,

Francis G. Bert ( teacher in international culinary school)
